

# BSB41515 Certificate IV in Project Management Practice

National ID: BSB41515 | State ID: AVR2

## About this course

The Certificate IV in Project Management Practice is a level 4 AQF (Australian Qualifications Framework) qualification, designed for students seeking to move into a supervisory and management position across a wide range of organizations and industries. The course develops the skills and knowledge needed to provide leadership and guidance to others and take responsibility for the effective functioning and performances of a team and its work outcomes. At a Certificate IV level students are expected to acquire both theoretical and practical skills and knowledge, which is related to real activities in the workplace (or a simulated workplace if required), some of which are individual and others which are group based. Students will be expected to complete some work, study and reading outside of the allocated classroom delivery sessions.

**Study modes and durations differ depending on your local campus. Please check with your local campus for more information.**

## Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
