

ICT20115 Certificate II in Information, Digital Media and Technology

National ID: ICT20115 | State ID: AVZ2

About this course

This qualification will provide you with the practical skills and knowledge to operate the essential functions of software applications of a computer. You will learn skills that enable you to operate a computer and use software applications which could include packages for word processing, spreadsheets, databases, presentation packages, internet, email and basic web page construction. You will also learn about the different fields of information technology.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
