

# ICT40815 Certificate IV in Digital Media Technologies

National ID: ICT40815 | State ID: AVZ6

## About this course

This qualification provides the skills and knowledge for an individual to be competent in designing, developing and utilising basic multimedia briefs either as an independent ICT specialist or as part of a team. You will gain knowledge in photography and image manipulation, video editing and camera techniques, design and creation of websites and multimedia presentations.

**Study modes and durations differ depending on your local campus. Please check with your local campus for more information.**

## Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
