

HLT52015 Diploma of Remedial Massage

National ID: HLT52015 | State ID: AWI6

About this course

This qualification will provide you with the practical skills and knowledge to perform massages for relaxation and health purposes. You will learn skills to assess a clients massage needs and plan and conduct a remedial massage based on a knowledge of anatomy, physiology, pathology and using skills in a wide range of soft tissue massage techniques. You will also learn to work safely and ethically in a health care environment, to communicate effectively with clients and other health care workers and to operate your own massage practice. During this qualification you will be required to conduct and complete a large number of massages of varying types, work on a variety of community clients, and work in and with the massage industry.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
