

# HLT54115 Diploma of Nursing

National ID: HLT54115 | State ID: AYZ3

## About this course

This qualification will provide you with the practical skills and knowledge to assist in the provision of preventative, curative and rehabilitative nursing. You will also learn about anatomy and physiology, infection control, nursing care of the client, legal and ethical parameters of nursing practice and promote positive health. You will also develop an understanding of health issues of Indigenous Australians and contribute to the nutritional and mental health care of the client. Your learning will incorporate a large component of supervised clinical practice in a health care setting.

This course is Competitive at all campuses and additional Entrance Requirements apply. All applicants will be required to complete a Core Skills Profile Assessment for English and Maths and achieve Exit Level 3 as well as providing evidence of compliance with the English Language Skills Requirements of the Nursing and Midwifery Board of Australia. Access further details here, [Nursing and Midwifery Board of Australia](#).

**Study modes and durations differ depending on your local campus. Please check with your local campus for more information.**

## Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may

also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.

## Entrance requirements
