TAE40116 Certificate IV in Training and Assessment
National ID: TAE40116 | State ID: BAB2

About this course

Are you passionate about sharing knowledge and training others?

When you complete the Certificate IV in Training and Assessment you will be ready to start a rewarding career as a vocational trainer, assessor, or lecturer, either in the private or public sector.

You will gain the knowledge and skills to deliver and assess training, design and develop training programs, present to groups of learners, and participate in assessment moderation and validation.

The Certificate IV in Training and Assessment is an essential requirement for anyone wishing to deliver vocational education and training for a registered training organisation in Australia.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.
The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.

**Mandatory Entry Requirements**

The TAE40116 Certificate IV in Training and Assessment provides individuals with the skills and knowledge to train and assess in the VET system, but it does not provide them with an area of expertise in which to train or assess.

For this reason the requirement for entry into this qualification is that:

Those entering this program must be able to demonstrate vocational competency in their proposed teaching and assessing area. Vocational competency is defined as broad industry knowledge and experience and may include, but is not limited to, holding a relevant unit of competency or qualification.

(Reference: Companion volume for implementation guide for TAE Training and Education Training Package release 2.0)

Students will need access to a real work place where facilitation of learning can be undertaken for assessment.

**Study pathway**

TAE50111 Diploma of Vocational Education and Training, TAE50211 Diploma of Training Design and Development, TAE70111 Vocational Graduate Certificate in Adult Language, Literacy and Numeracy

**Job opportunities**

Successful completion of this qualification provides you with the opportunity to facilitate training and conduct assessment in a range of settings with individuals or groups, eg, vocational training at TAFE colleges, coaches and mentors in industry, off-shore vocational trainers, enterprise trainer or and/or assessor.
