

AHC30116 Certificate III in Agriculture

National ID: AHC30116 | State ID: BCW6

About this course

This qualification provides a general vocational outcome in agriculture. The qualification enables individuals to select a livestock production, horticulture or livestock context as a job focus or, in the case of mixed farming enterprises, both horticulture and livestock.

Individuals with this qualification perform tasks in a variety of contexts, which involve some judgement in selecting equipment and services.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
