About this course

Open the gate to a career in Agriculture. If you are interested in gaining hands-on agricultural training, this program is designed for you. Our Certificate II in Agriculture provides a general introduction to agriculture skills and techniques. This qualification is suitable for an Australian Apprenticeship.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
