

AHC33816 Certificate III in Permaculture

National ID: AHC33816 | State ID: BDD1

About this course

The qualification is suited to learners who wish to work at the skilled tradesman level within permaculture projects and enterprises, and may involve supervision of others and working with people of diverse backgrounds and abilities. This qualification relates to those individuals who work either independently or in teams to establish and maintain permaculture systems for private clients, organisations or community entities. They perform tasks involving a broad range of skilled applications in a wide variety of contexts, which may involve application of some discretion and judgement in selecting equipment, elements in a design or contingency measures.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.
