

MSL30118 Certificate III in Laboratory Skills

National ID: MSL30118 | State ID: BDV6

About this course

This qualification will provide you with the practical skills and knowledge to assist in collecting and preparing samples and to carry out, measure and record results of experiments in the physical, chemical, biological or life sciences. You will learn skills in maintaining a laboratory, routine sampling and testing, recording data, and using laboratory computing programs. You will also learn how to prepare cultures, perform sterile techniques and assist with field work.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

Semester 1, 2020

Bunbury - Full Time, Traineeship

Duration: **1 Semester/s**

When: **Semester 1, 2020**

How: **F
Full-Time
Traineeship**

Units

Not all units and study modes are offered at all campuses. Please check with your local campus.

Core

National ID	Unit Title
MSL913003	Communicate with other people
MSL913004	Plan and conduct laboratory/field work
MSL922001	Record and present data
MSL933006	Contribute to the achievement of quality objectives
MSL943004	Participate in laboratory or field workplace safety
MSMENV272	Participate in environmentally sustainable work practices

Elective

National ID	Unit Title
MSL904002	Perform standard calibrations
MSL953003	Receive and prepare samples for testing
MSL954004	Obtain representative samples in accordance with sampling plan
MSL973013	Perform basic tests
MSL973014	Prepare working solutions

National ID	Unit Title
MSL973016	Perform aseptic techniques
MSL973019	Perform microscopic examination

Entrance requirements

School Leaver	Non-School Leaver	AQF
OLNA or NAPLAN 9 Band 8	C Grades in Year 10 English and Maths or equivalent	Certificate I or Certificate II

Study pathway

Certificate IV in Laboratory Techniques

Job opportunities

Successful completion of this qualification provides you with the opportunity to become a laboratory assistant, instrument operator or similar role. It is an entry-level qualification for laboratory personnel. The qualification can be gained through an approved traineeship program; in this case you will need to be employed and registered as a trainee before you can commence traineeship training.

Fees and charges

Please contact the college to receive an indicative price for this course.

South Regional TAFE's indicative fees for 2019 are available at the link:

www.southregionaltafe.wa.edu.au/futurestudents/feespaymentoptions

These fees are indicative for local students enrolling full-time in government funded courses in 2017. Your fees will be calculated from your individual circumstances at the time of enrolment.

Concessions (for eligible courses at certificate levels I to IV) and annual course fee caps may apply. Other charges may apply.

VET Student Loan

Students in Diploma qualifications and above may be assisted through a loan under the Commonwealth Government's VET Student Loan scheme. Only an Australian citizen, a permanent humanitarian visa holder and resident in Australia,

or a New Zealand Special Visa 444 student who can also provide evidence of a WACE Certificate (completion of Year 12) or equivalent can apply for a loan. For more information please see <http://studyassist.gov.au/sites/StudyAssist/> (Opens in a new window)

For information on the VET Student Loan process at South Regional TAFE please see <http://www.southregionaltafe.wa.edu.au/futurestudents/vet-student-loans>

International students

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students.

International students can only study full-time. For information on international student fees and application, please follow this link to the TAFE International WA website www.tafeinternational.wa.edu.au/courses

Please note, fees are subject to change.
