

BSB51918 Diploma of Leadership and Management

National ID: BSB51918 | State ID: BEA0

About this course

Are you ready for a career as an outstanding leader of industry or business?

When you complete the Diploma of Leadership and Management you will have what it takes for a career as a team leader, middle manager or supervisor. You will gain the career enhancing knowledge and skills to build and lead a team, manage budgets and financial plans, oversee staff performance, identify and manage risks, and play a leading role in project planning. You will acquire knowledge of marketing and valuable experience in managing projects and in effective teams. Completion of the Diploma of Leadership and Management opens up a range of further study options and it may give you advanced standing towards a university degree. Students should have a significant employment history with some experience in high-level administration or staff supervision to better relate to the course content. Not all study modes are offered at all campuses. Please check with your local campus for study modes and elective units offered. The units in Traineeships are customised according to the individual Training Agreement that is negotiated with the employer and may vary (within the Qualification rules) in each case.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.
