

CPC32011 Certificate III in Carpentry and Joinery

National ID: CPC32011 | State ID: D409

About this course

Do you want to build a strong career from the ground up?

When you complete the Certificate III in Carpentry and Joinery you will be ready for a career as a domestic or commercial carpenter. You will gain the knowledge and skills to carry out a range of building and construction tasks; use basic carpentry tools, power tools, carpentry materials; construct a pitched roof, ceiling frame, wooden flooring; interpret plans; and apply work health and safety requirements. The Certificate III in Carpentry and Joinery is an apprenticeship; you must be employed in a training contract by an appropriate organisation to study.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during

the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
