

CPP50911 Diploma of Building Design

National ID: CPP50911 | State ID: D772

About this course

This qualification applies to building designers who undertake building design projects covered by the Building Code of Australia (BCA), except Construction Type A buildings. Building designers may specialise in residential projects, including new buildings, heritage restorations and additions or renovations; or they may also undertake commercial and industrial projects, such as factories, motels, offices, restaurants, retail or service outlets and warehouses.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
