

# Side by Side

State ID: MAA23

## About this course

### Description

This short course covers the process for safely checking, loading, starting and operating a side by side utility vehicle. Participants will learn to steer, manoeuvre, position and stop the vehicle in a smooth and controlled manner.

The course also covers

- ▶ Routine checks and maintenance procedures
- ▶ hazards and risks associated with side by side utility vehicle areas of operation
- ▶ loading and securing side by side utility vehicle safely
- ▶ PPE associated with the safe operation and use of a side by side utility vehicle

**\*Please note:** Experienced Side by Side operators may be eligible to complete the course in 1 day. Please speak with our friendly staff to see if you meet the required criteria to exit at the end of day 1. You may be required to provide evidence of your previous experience to an SR TAFE lecturer.

### Certification

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited units:

AHCMOM216 Operate side by side utility vehicles

The following people will be entitled to a concession rate on the half price course fees under *Lower fees, local skills*.

- All students aged 15-24 years
- Persons and dependents of persons holding:
  - a pensioner concession card;
  - a repatriation health benefits card issued by the Department of Veterans' Affairs; or
  - a Health Care Card
- Persons and dependents of persons in receipt of the Youth Allowance, AUSTUDY or ABSTUDY
- Dependents of persons who are inmates of a custodial institution
- Secondary school-aged persons, not enrolled at school.

If you are not eligible, please see our [Skill sets](#) page.

## Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.

## Important information

### Personal Protective Equipment (PPE):

For the practical assessment you need to be in appropriate work wear and bring suggested items as listed below;

- Helmet
- long trousers
