### **Entry requirements**

Students will be required to complete the Safety Corp Workbook and a First Aid Manual prior to course attendance.

### **Certification**

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited units.

HLTAID004 Provide an Emergency First Aid Response in an Education and Care Setting

### **Overview**

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
