

Licence to Perform Dogging

State ID: MAA75

About this course

Description

This course will provide you with the knowledge and skills required to perform slinging techniques, including the selection and inspection of lifting gear and directing the crane operator in the movement of a load when the load is out of view of the operator.

The work described in this course relates to the National Standards for licensing persons performing high risk work. On successful completion of this course you will be able to apply for a high risk licence through Worksafe.

Certification

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited units:

CPCCLDG3001A Licence to Perform Dogging

Industry licensing information

This course will equip students with the correct qualifications to obtain a National High Risk Work Licence Class DG. Students must apply and pay for this license separately with WorkSafe.
