

Elevating Work Platform (EWP)

State ID: MAA76

About this course

Description

This course will provide you with the knowledge and skills required to safely operate a boom-type elevating work platform (boom length 11 metres or more).

By completing this course successfully you will be equipped to apply for a National High Risk Work Licence Class WP.

Industry licensing information

This course will equip students with the correct qualifications to obtain a National High Risk Work Licence Class WP. Students must apply and pay for this license separately with WorkSafe.

Overview
