

Traffic Management

State ID: MAB56

About this course

Description

This course is for people who want to work in traffic management on public roads and other designated traffic management areas.

It will provide trainees with the knowledge and skills required to be able to safely control traffic with a stop/slow bat in accordance with Main Roads WA requirements and to implement basic traffic management plans for works on roads.

The course covers:

- Plan and prepare
- Set out the traffic guidance scheme
- Monitor traffic guidance scheme
- Close down traffic guidance scheme
- Control traffic
- Operate communication devices
- Plan, Prepare and Co-ordinate Traffic
- Operate Radio
- Clean Up

Entry requirements

Participants must have:

A valid driver's licence, or evidence of previously having held a driver's licence (no learner's permits or moped licences)

Literacy and numeracy skills to a level that will allow them to complete the written component of the assessment.

A Whitecard (Safety Awareness Training) in order for attendees to complete the logbook component of the training on a construction site.

Steel capped boots

Certification

On successful completion of this course, students will receive a statement of attainment for the following nationally accredited units:

RIIWH5201D - Work Safely and Follow WHS Policies and Procedures

RIIWH5205E - Control traffic with stop-slow bat

RIICOM201D - Communicate in the workplace

RIIWH5302E - Implement traffic management plans

Overview

In order to comply with COVID-19 Government directed social distancing guidelines, some courses may include a mix of online and classroom based training delivery, as well as practical and work experience placements.

While the mode of delivery might vary, the content and key learning outcomes of the course will remain the same.

The precise mix of delivery method will vary from course to course. The time, place and method of delivery may also vary across the semester to ensure social distancing and safe training delivery for staff and students during the COVID-19 pandemic.

South Regional TAFE will provide students with adequate support to work in online environments where necessary.
