

52774WA Certificate II in Leadership

National ID: 52774WA | State ID: YT99

About this course

A highly practical course, the Certificate II in Leadership is based around a practical project which benefits the community and will also allow you to develop your own skills, in particular your leadership skills and how you interact with others.

This course provides a flexible frame work that can be customised to a specific industry, or to specific community needs. It provides participants with employability skills which support their transition into work, further education and training and community participation.

Study modes and durations differ depending on your local campus. Please check with your local campus for more information.
