Foreword

This publication is the Information Statement of the South Regional TAFE. It provides an overview of the college so that people may understand the nature of our work and the type of documents that are available. Information contained in this publication is accurate as at January 2019.

The college is committed to comply with the objects and intent of the Western Australia Freedom of Information Act 1992. We endeavour to maximise the availability of documents held by the college to the public, without the need for an application under Freedom of Information (FOI). At the same time, we remain vigilant in protecting the personal and commercial privacy of our clients and staff.

The responsible Minister is the Minister for Training and Workforce Development.

Training Services

Receipt of application must be acknowledged in writing by the FOI Officer.

The decision to allow or refuse amendment of personal information is to be made by the FOI Officer in consultation with the relevant unit manager, depending on the nature of the request.

The college is required to give the applicant written notice of its decision within 30 days (Section 49(2) FOI Act).

The notice is to give details of approved amendment or a statement of reason for the decision to refuse amendment of the personal information.

A simple name and/or address change is handled through our usual process, upon completion of a Change of Contact Details form and/or supply of proof of change.
