We cover the South West and Great Southern

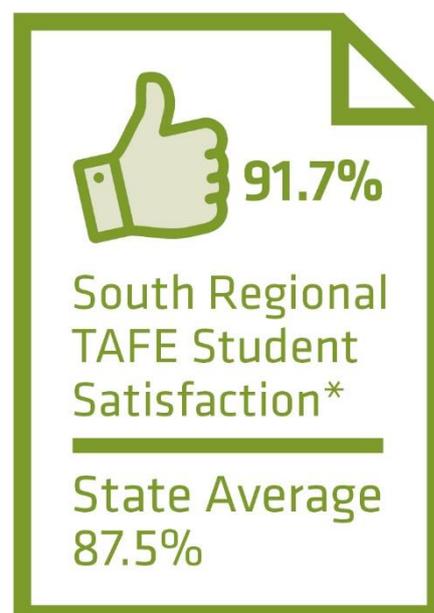

We provide the training to equip you with the skills you need to get the job you want

By engaging with industry, we can ensure we are meeting the high standards required for training and assessing. This means on completion of your course, you can be sure you'll have the right skills and knowledge to do the job you've trained for.

Our highly skilled lecturers have worked, or still work, in their industry and have specialised training and assessing skills.

To help you secure your dream job, you'll receive a nationally recognised qualification that will be welcomed by business and industry.

*2019 Student Satisfaction Survey by Department of Training and Workforce Development.

Introduction

General Information

The Vocational Education and Training delivered to Secondary Students (VETdSS) program provides senior secondary students with the opportunity to integrate their traditional academic studies with a vocational education study pathway.

Successful completion of a vocational qualification provides students with credits towards a nationally recognised VET qualification that will give a competitive advantage to gain employment in their chosen career or undertake further training. Students who are enrolled in a VET delivered to Secondary Students course attend a South Regional TAFE campus one or two days per week.

This booklet provides information on the range of qualifications being offered at South Regional TAFE South West campus under the Vocational Education and Training delivered to Secondary Students (VETdSS) program for 2021.

South Regional TAFE offers a range of courses and pre-apprenticeships as part of our VET delivered to Secondary Students programs.

Information covered includes, minimum entry requirements, delivery details, costs and uniform requirements (if applicable).

The VETdSS program pathway offers opportunities to:

- ▶ Develop your work, employability and life skills, whilst broadening your career options.
- ▶ Gives you a realistic view of industry expectations and to develop industry specific skills.
- ▶ Improves your future employment prospects, your chances of selection for other training courses and can offer pathways into higher education in the future.
- ▶ To study in an adult learning environment.
- ▶ Gain nationally recognised VET qualifications and units of competency while completing your Western Australian Certificate of Education.
- ▶ Gain an understanding of the world of work, providing you with practical skills and valuable experience to assist with planning and pursuing your career pathways.

Who Can Apply?

Applications will be accepted from students who can meet the following criteria:

Currently enrolled in high school and commencing Year 11 or 12 in 2021;

Will pass or have passed Year 10 with a 'C' grade average or with Curriculum Framework Level 3.5 or better (the Year 10 mid-year report MUST be included for application purposes);

Student application has been endorsed by their school.

Meet Australian citizenship and/or visa requirements;

Have not completed a Nationally Recognised VET qualification under the VET delivered to Secondary Students program.

How to Apply?

The application process is completed online via a link on the South Regional TAFE website – Southregionaltafe.wa.edu.au

An applications booklet is located on the website for further information.

Applications for 2021 programs, open on **Monday the 27th July 2020**.

Applications close on **Monday the 17th August 2020**.

Late applications and applications not submitted online (via email, post, phone call etc.) will not be accepted.

Disclaimer

Programs are subject to minimum student enrolments and will only run if viable numbers are achieved. South Regional TAFE also reserves the right to alter delivery times and course content.

Competitive courses

Highly competitive courses will require an interview. Applicants must be available for an interview between **Monday the 14th to Friday the 25th of September 2020**.

Be prepared for your interview, bring your resume, any certificate or achievements you may have to highlight why you wish to be selected for the course you have applied for. Extra experience in the chosen field will always help towards your application, e.g. Volunteering, any work experience.

Fees and Charges

Secondary school students undertaking VETdSS programs as part of their secondary education including pre-apprenticeships in schools are exempt from tuition, resource and enrolment fees.

However, depending on the chosen course students may be required to purchase a uniform, protective equipment, text books or trade equipment/tools/licences.

Note: *Some sub-class visa holders will be required to pay full-fees.*

Key program details and responsibilities

- ▶ Students attend their chosen campus 1 or 2 days a week for the allocated length of their course.
- ▶ For Pre-apprenticeship courses, after the designated delivery requirements one of the TAFE attendance days will become a work practice placement day and the student will attend a work placement to gain industry experience, enhance knowledge and refine skills.
- ▶ You will experience learning in an adult environment with students of all ages and backgrounds.
- ▶ There is an expectation that when attending classes, you will assume greater responsibility for your own care and safety, as a responsible young adult.
- ▶ All students enrolled at South Regional TAFE are expected to adhere to the student code of conduct. (a copy is located on our website)
- ▶ Whilst attending South Regional TAFE, you are under the supervision of the lecturer taking the class,
- ▶ You will not be supervised during break times.
- ▶ You are expected to remain within the College grounds unless you provide your lecturer with written notification from your parent/guardian or the school.
- ▶ You are responsible for your own travel arrangements to your chosen campus and work placement (if applicable).
- ▶ You are required to attend all of your classes including those that may occur on a designated school pupil free day.
- ▶ Attendance is recorded and all absences are reported to your school. You are required to notify your lecturer if you will not be attending.
- ▶ You are expected to dress appropriately whilst on campus. Some courses have uniform requirements which must be adhered to or you may not be able to attend on that day. Where special or protective clothing and/or footwear is required, it must be worn without exception.

Pre-Apprenticeships in Schools

Course Offerings

Pre-Apprenticeships in Schools Overview

What is the Pre-apprenticeship in Schools Program?

The Pre-Apprenticeships in Schools (PAIS) program is a fantastic opportunity for students in Years 11 and 12 who are enrolled in the Western Australian Certificate of Education (WACE), to be one step ahead of other young people who want to undertake an apprenticeship. It is a school-based training program and is intended as a transition from school to an apprenticeship. It provides an introduction into the apprenticeship opportunities within various trades. Training commences in Year 11 or 12 with a mixture of College based training and actual work experience within the industry of choice. During this stage students must attend school, undertake units of competency within the program at a Registered Training Organisation (RTO) participating in the program and be linked to an employer for work placement throughout the duration of the program, giving students exposure to the industry.

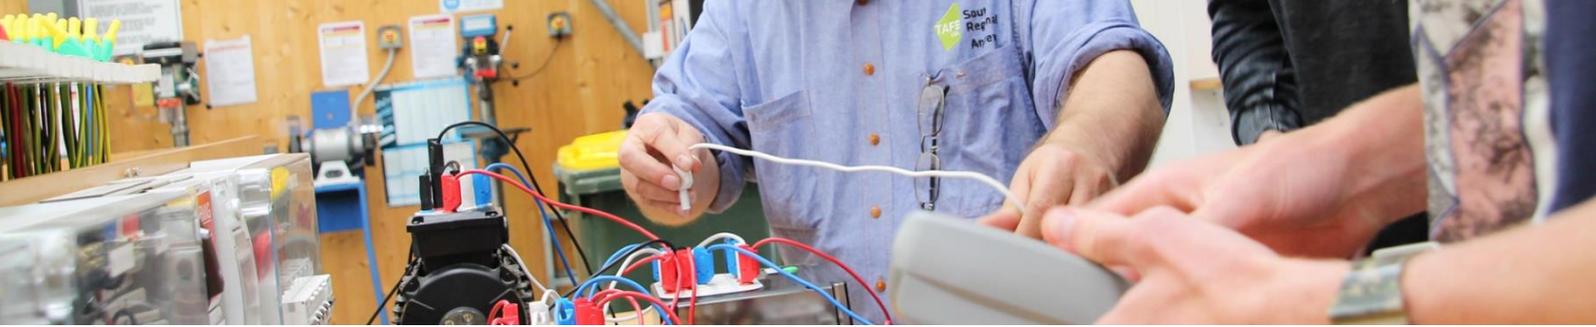

Why Apply for the Pre-Apprenticeship in Schools Program?

- Students can undertake training within a desired industry while still completing their Western Australian Certificate of Education (WACE). The program provides subject equivalence towards a student's WACE;
- Enables students to make career decisions and provides pathways to an apprenticeship;
- Students receive credits for successful completion of units of competency undertaken; and
- A reduction in term may be considered if the student is successful in obtaining an apprenticeship.

Work Practice

Some programs include work practice placements, to support the learning program. Each course in the booklet include the work practice placement requirements. Part of the placement requirements is completing a logbook of each day's attendance and summary of work tasks. You are required to submit your logbook at regular intervals throughout your course for validation. Students will be provided more information about any workplace practice at the commencement of the program. Students are responsible for organising their own transport to and from the workplace.

Please note: Some of the Pre-App courses can require additional workplace hours that will need to be completed in the student's own time.

Pre- App Electrotechnology (Career Start) [Electrotechnology Pre-Apprenticeship]

National ID: UEE22011 State ID: AA41

When you complete the Certificate II in Electrotechnology (Career Start) (Electrotechnology Pre-Apprenticeship) you'll be what employers are looking for as an apprentice in the electrical, instrumentation or electrical servicing trades. This qualification will prepare you with the skills and knowledge to work in the electrical trade. You will learn skills in using electrical tools and equipment. You will also learn skills to work effectively in the electrical industry, carry out routine work activities in an energy sector environment, identify and select components, accessories and materials for energy sector work activities, solve problems in D/C circuits and follow Occupational Health and Safety policies and procedures.

As part of this qualification students will undertake a supervised work placement where they will be able to apply the skills and knowledge they have learned. A minimum of 157 hours work practice is required. Work practice is assessed as part of this course and students are required to complete a detailed log book.

Recommended Background

- ▶ Minimum Year 10 completion with a C grade average across three subjects including Maths and English.
- ▶ Work experience

Competitive Entry

Interviews will be conducted for students meeting minimum requirements for entry to this course.

- ▶ **Available Places: 14**
- ▶ **Available To: Year 11 ONLY**

Delivery Period

Day	Location	Duration
Thursday and Friday	Collie	4 Terms

Work Practice

Minimum Hours	Commencement	Days Allocated for Work Practice
157	Terms 2-4	TBA

Commitment

- ▶ Up to an hour of study per week
- ▶ Up to two hours of homework per week
- ▶ A minimum of 157 hours of work practice – travel may be required

Student to Supply

This is a guide only. Specific course requirements will be provided at enrolment.

- ▶ Personal protective equipment
- ▶ Steel capped boots, long work wear trousers and collared work wear shirt
- ▶ Pens, pencils and A4 file
- ▶ Apart of this course students require to obtain an electrical licence through Energy Australia which will be at their own cost.

Note: Course commencement is subject to sufficient enrolments.
