Introduction

General Information

The Vocational Education and Training delivered to Secondary Students (VETdSS) program provides senior secondary students with the opportunity to integrate their traditional academic studies with a vocational education study pathway.

Successful completion of a vocational qualification provides students with credits towards a nationally recognised VET qualification that will give a competitive advantage to gain employment in their chosen career or undertake further training. Students who are enrolled in a VET delivered to Secondary Students course attend a South Regional TAFE campus one or two days per week.

This booklet provides information on the range of qualifications being offered at South Regional TAFE South West campus under the Vocational Education and Training delivered to Secondary Students (VETdSS) program for 2021.

South Regional TAFE offers a range of courses and pre-apprenticeships as part of our VET delivered to Secondary Students programs.

Information covered includes, minimum entry requirements, delivery details, costs and uniform requirements (if applicable).

The VETdSS program pathway offers opportunities to:

- ▶ Develop your work, employability and life skills, whilst broadening your career options.
- ▶ Gives you a realistic view of industry expectations and to develop industry specific skills.
- ▶ Improves your future employment prospects, your chances of selection for other training courses and can offer pathways into higher education in the future.
- ▶ To study in an adult learning environment.
- ▶ Gain nationally recognised VET qualifications and units of competency while completing your Western Australian Certificate of Education.
- ▶ Gain an understanding of the world of work, providing you with practical skills and valuable experience to assist with planning and pursuing your career pathways.
