We cover the South West and Great Southern

We provide the training to equip you with the skills you need to get the job you want

By engaging with industry, we can ensure we are meeting the high standards required for training and assessing. This means on completion of your course, you can be sure you'll have the right skills and knowledge to do the job you've trained for.

Our highly skilled lecturers have worked, or still work, in their industry and have specialised training and assessing skills.

To help you secure your dream job, you'll receive a nationally recognised qualification that will be welcomed by business and industry.

*2019 Student Satisfaction Survey by Department of Training and Workforce Development.

Introduction

General Information

The Vocational Education and Training delivered to Secondary Students (VETdSS) program provides senior secondary students with the opportunity to integrate their traditional academic studies with a vocational education study pathway.

Successful completion of a vocational qualification provides students with credits towards a nationally recognised VET qualification that will give a competitive advantage to gain employment in their chosen career or undertake further training. Students who are enrolled in a VETdSS course attend a South Regional TAFE campus one or two days per week, for various lengths of time.

This booklet provides information on the range of qualifications being offered at South Regional TAFE Bunbury campus under the VETdSS program for 2022.

Information covered in this booklet includes, minimum entry requirements, delivery details, costs and uniform requirements (if applicable).

The VETdSS program pathway offers opportunities to:

- ▶ Develop your work, employability and life skills, whilst broadening your career options.
- ▶ Gain a realistic view of industry expectations and to develop industry specific skills.
- ▶ Improve your future employment prospects, your chances of selection for other training courses and can offer pathways into higher education in the future.
- ▶ Study in an adult learning environment.
- ▶ Gain nationally recognised VET qualifications and units of competency while completing your Western Australian Certificate of Education.
- ▶ Gain an understanding of the world of work, providing you with practical skills and valuable experience to assist with planning and pursuing your career pathways.

Who can apply?

Applications will be accepted from students who can meet the following criteria:

- ▶ Currently enrolled at a secondary school and commencing Year 11 or 12 in 2022;
- ▶ Will pass or have passed Year 10 with a 'C' grade average or with Curriculum Framework Level 3.5 or better (the Year 10 mid-year report **MUST** be included for application purposes);
- ▶ Have completed and passed the online literacy and numeracy assessment (NAPLAN or OLNA);
- ▶ Student application has been endorsed by their school;
- ▶ Meet Australian citizenship and/or visa requirements;
- ▶ Have not previously completed a Nationally Recognised VET qualification under the VET delivered to Secondary Students program.

How to apply?

- ▶ Submit an application online via a link on the South Regional TAFE website – Southregionaltafe.wa.edu.au
- ▶ An applications booklet is located on the website for further information.
- ▶ Applications for 2022 programs, open on **Monday 26th July 2021**.
- ▶ Applications close on **Monday 16th August 2021**.
- ▶ Late applications and applications not submitted online (via email, post, phone call etc.) will not be accepted.

Competitive courses

Highly competitive courses will require an interview. Applicants are required to be available for an interview between **Monday the 13th to Friday the 24th of September 2021**.

Preparing for your interview

Be prepared for your interview, bring your resume, any certificate or achievements you may have to highlight why you wish to be selected for the course you have applied for. Extra experience in the chosen field will always help towards your application, e.g. Volunteering, any work experience and hobbies.

Fees and Charges

Secondary school students undertaking VETdSS programs as part of their secondary education including pre-apprenticeships in schools are exempt from tuition, resource and enrolment fees.

However, depending on the chosen course students may be required to purchase a uniform, protective equipment, text books or trade equipment/tools/licences.

Note: *Some sub-class visa holders will be required to pay full-fees.*

Key program details and responsibilities

- ▶ Students attend their chosen campus 1 or 2 days a week for the allocated length of their course.
- ▶ For some Pre-apprenticeship courses, after the designated delivery requirements one of the TAFE attendance days will become a work placement day. The student will attend a work placement to put learnings into practice and gain industry experience, enhance knowledge and refine skills.
- ▶ You will experience learning in an adult environment with students of all ages and backgrounds.
- ▶ There is an expectation that when attending classes, you will assume greater responsibility for your own care and safety, as a responsible young adult.
- ▶ All students enrolled at South Regional TAFE are expected to adhere to the student code of conduct. (a copy is located on our website)
- ▶ Whilst attending South Regional TAFE, you are under the supervision of the lecturer taking the class.
- ▶ You will not be supervised during break times.
- ▶ You are expected to remain within the College grounds unless you provide your lecturer with written notification from your parent/guardian or school.
- ▶ You are responsible for your own travel arrangements to your chosen campus and work placement (if applicable).
- ▶ You are required to attend all your classes including those that may occur on a designated school pupil free day.
- ▶ Attendance is recorded and all absences are reported to your school. You are required to notify your lecturer if you will not be attending.
- ▶ You are expected to dress appropriately whilst on campus. Some courses have uniform requirements which must be adhered to or you may not be able to attend on that day. When special or protective clothing and/or footwear is required, it must be worn without exception.

Disclaimer

Programs are subject to minimum student enrolments and will only run if viable numbers are achieved. South Regional TAFE also reserves the right to alter delivery times and course content.

Pre-Apprenticeships in Schools

Course Offerings

Pre-Apprenticeships in Schools

Overview

What is the Pre-apprenticeship in schools program?

The Pre-Apprenticeships in schools (PAIS) program is a fantastic opportunity for students who are enrolled in the Western Australian Certificate of Education (WACE), to be one step ahead of other young people who want to undertake an apprenticeship. It is a school-based training program and is intended as a transition from school to an apprenticeship. It provides an introduction into the apprenticeship opportunities within various trades. Training commences with a mixture of College based training and actual work experience within the industry of choice. During this stage students must continue attending school, undertake units of competency within the program whilst attending South Regional TAFE and be linked to an employer for work placement throughout the duration of the program, giving students exposure to the industry.

Why apply for the pre-apprenticeship in schools program?

- ▶ Students can undertake training within a desired industry while still completing their Western Australian Certificate of Education (WACE). The program provides subject equivalence towards a student's WACE;
- ▶ Enables students to make career decisions and provides pathways to an apprenticeship;
- ▶ Students receive credits for successful completion of units of competency undertaken; and
- ▶ A reduction in term may be considered if the student is successful in obtaining an apprenticeship.

Work Placement

Some qualifications include work placements, to support the learning program. Each course in the booklet includes the work placement requirements. The program involves the completion of a logbook recording each day's attendance and summary of work tasks. The logbook is to be submitted at regular intervals throughout your course for validation and assessment. Students will be provided with more information about any work placement at the commencement of the course. Students are responsible for organising their own transport to and from the workplace.

Please note: Some of the pre-apprenticeship courses can require additional workplace hours that will need to be completed in the student's own time.

Certificate II in Automotive Servicing Technology [Light Vehicle Servicing Pre-Apprenticeship]

National ID: AUR20516 State ID: AB05

By the time you have finished this qualification, you will know your radiator from your regulator and be in a good position to get yourself an apprenticeship in mechanics. This qualification will provide students with practical skills and knowledge used in the light vehicle automotive mechanical trades, including carrying out servicing operations, inspecting and servicing engines, steering and suspension systems, repairing single electrical circuits, using and maintaining workplace tools and equipment. You will also learn how to apply safe work practices and apply basic automotive troubleshooting processes and much more.

This qualification includes a supervised work placement where students will be able to apply the skills and knowledge they have learned. A minimum of 220 hours work placement is required. Work placement is assessed as part of this course and students are required to complete a detailed log book.

Competitive entry

This is a competitive course and will require an interview.

A photograph of a female teacher with blonde hair in a bun, wearing a white short-sleeved shirt with colorful polka dots and green pants, sitting cross-legged on a light-colored tiled floor. She is looking towards two young students. To her right, a young girl with dark hair, wearing a yellow long-sleeved shirt and dark pants, is sitting cross-legged and holding a pink stuffed animal. Next to her, a young boy with brown hair, wearing a red long-sleeved shirt and dark pants, is sitting cross-legged with his hands clasped. The background shows a bright, modern classroom with wooden chairs, tables, and colorful decorations. A green banner is overlaid at the top of the image.

VET in Schools

Course Offerings

Certificate II in Agriculture

National ID: AHC20116 State ID: BCZ7

Open the gate to a career in agriculture. This qualification is an entry-level course focused on the fundamentals of modern farm work, including working with livestock and crops. This qualification is a starting point for anyone looking to work within any stream of agriculture. It will also set you up for a wide range of career and study paths across agriculture, agribusiness and rural operations.

Competitive entry

This is a competitive course and will require an interview.

- ▶ Available places: 8
- ▶ Available to: Year 11 and 12

Delivery period

Day	Location	Duration
Year 11 – Friday	Esperance	6 Terms
Year 12 – Thursday		

Commitment

- ▶ Full participation in training activities
- ▶ Up to three hours of homework/study per week

- ▶ Personal protective equipment - sun hat, sunglasses, steel capped boots and long sleeved cotton work pants
- ▶ Pens, pencils & A4 file
- ▶ Calculator

Further study options

- ▶ Certificate II in Conservation and Land Management
- ▶ Certificate II in Agriculture
- ▶ Certificate II in Horticulture
- ▶ Certificate II in Permaculture

Certificate II in Salon Assistant

National ID: SHB20216 State ID: BAA3

Are you ready to have the skills to impress potential employers as a salon assistant, on your way to becoming a hairdresser. This preparatory qualification ensures students gain basic skills and knowledge used in hairdressing salons including shampooing, maintaining hairdressing tools, scheduling appointments, merchandising and work place health and safety. Students will be under direct supervision and guidance of hairdressers who manage the client service. The combined skills and knowledge do not provide for a job outcome as a hairdresser and this qualification is intended to prepare individuals for further training.

Competitive entry

This is a competitive course and will require an interview.

- ▶ Available places: 8
- ▶ Available to: Year 11 and 12

Delivery period

Day	Location	Duration
Monday 1/2 Day	Esperance	TBC

Commitment

- ▶ Full participation in training activities
- ▶ Up to 2 hours per week additional study/homework

Certificate II in Building & Construction (Pathway Trades)

National ID: 52824WA State ID: BCY47

This is a pre-vocational course for learners seeking to gain an apprenticeship in the construction industry, following senior secondary school studies. Learners can complete common core competencies shared between 11 construction trades, then select additional competencies from ONE trade pathway.

You will learn to use manual and power tools interpret plans; measure and calculate the right amount of materials for the job; work with scaffolding safely at heights: and workplace health and safety.

Learners will develop relevant technical, vocational and interpersonal competencies suitable for further training in construction as well as skills, knowledge and experiences that may be transferable to other industry areas.

This qualification includes a supervised work placement where students will be able to apply the skills and knowledge they have learned. A minimum of 220 hours work placement is required. Work placement is assessed as part of this course and students are required to complete a detailed log book.

Competitive entry

This is a competitive course and will require an interview. A moderate level of physical stamina, strength, agility and coordination is recommended.

- ▶ Available Places: 12
- ▶ Available To: Year 11 and 12

Delivery period

Day	Location	Duration
1 Day per week	Esperance	6 Terms

Work placement

Minimum Hours	Days allocated for work placement
220	Block release to be negotiated with school

Commitment

- ▶ up to 2 hours per week additional study/homework

Student to supply

(Guide only) Specific course requirements will be provided at enrolment.

- ▶ Industry standard personal protective equipment including steel capped boots
- ▶ Pens, pencils and A4 file

Certificate II in Engineering Pathways

National ID: MEM20105 State ID: AA52

Preparing for a career in an engineering environment, this course provides students with the greatest portability across three trades (Fitting & Machining, Metal Fabrication and Heavy Automotive), providing candidates with the opportunity to make an informed decision as to what career path they may take. Employers are looking for applicants with the foundation skills and knowledge, this course will ensure students have a clear understanding of the fundamentals, including measure, calculate and use tools, draw and interpret sketches and work health and safety requirements. Successful completion of this qualification provides you with the opportunity to become a trade’s assistant or gain an apprenticeship in the metal fabrication, fitting & machining or automotive trade area.

This qualification includes a supervised work placement where students will be able to apply the skills and knowledge they have learned. A minimum of 220 hours work placement is required. Work placement is assessed as part of this course and students are required to complete a detailed log book.
