We cover the South West and Great Southern

We provide the training to equip you with the skills you need to get the job you want

By engaging with industry, we can ensure we are meeting the high standards required for training and assessing. This means on completion of your course, you can be sure you'll have the right skills and knowledge to do the job you've trained for.

Our highly skilled lecturers have worked, or still work, in their industry and have specialised training and assessing skills.

To help you secure your dream job, you'll receive a nationally recognised qualification that will be welcomed by business and industry.

*2021 Student Satisfaction Survey by Department of Training and Workforce Development.

Introduction

General Information

The Vocational Education and Training delivered to Secondary Students (VETdSS) program provides senior secondary students with the opportunity to integrate their traditional academic studies with a vocational education study pathway.

Successful completion of a vocational qualification provides students with credits towards a nationally recognised VET qualification that will give a competitive advantage to gain employment in their chosen career or undertake further training. Students who are enrolled in a VETdSS course attend a South Regional TAFE campus one or two days per week.

This booklet provides information on the range of qualifications being offered at South Regional TAFE Narrogin campus under the VETdSS program for 2023.

South Regional TAFE offers a range of courses and pre-apprenticeships as part of our VETdSS programs.

Information covered in this booklet includes, minimum entry requirements, delivery details, costs and uniform requirements (if applicable).

The VETdSS program pathway offers opportunities to:

- ▶ Develop your work, employability and life skills, whilst broadening your career options.
- ▶ Gain a realistic view of industry expectations and to develop industry specific skills.
- ▶ Improve your future employment prospects, your chances of selection for other training courses and can offer pathways into higher education in the future.
- ▶ Study in an adult learning environment.
- ▶ Gain nationally recognised VET qualifications and units of competency while completing your Western Australian Certificate of Education.
- ▶ Gain an understanding of the world of work, providing you with practical skills and valuable experience to assist with planning and pursuing your career pathways.

Who can apply?

Applications will be accepted from students who can meet the following criteria:

- ▶ Currently enrolled at a secondary school and commencing Year 11 or 12 in 2023;
- ▶ Will pass or have passed Year 10 with a 'C' grade average or with Curriculum Framework Level 3.5 or better (the Year 10 mid-year report MUST be included for application purposes);
- ▶ Have completed and passed the online literacy and numeracy assessment
- ▶ Student application has been endorsed by their school;
- ▶ Meet Australian citizenship and/or visa requirements;
- ▶ Have not completed a Nationally Recognised VET qualification under the VET delivered to Secondary Students program.

How to apply?

- ▶ Applications to be submitted through your School VET coordinator.

Disclaimer

Programs are subject to minimum student enrolments and will only run if viable numbers are achieved. South Regional TAFE also reserves the right to alter delivery times and course content.

Competitive courses

Highly competitive courses will require an interview. Applicants must be available for an interview, dates to be advised.

Preparing for your interview

Be prepared for your interview, bring your resume, any certificate or achievements you may have to highlight why you wish to be selected for the course you have applied for. Extra experience in the chosen field will always help towards your application, e.g. Volunteering, any work experience and hobbies.

Fees and Charges

Secondary school students undertaking VETdSS programs as part of their secondary education including pre-apprenticeships in schools are exempt from tuition, resource and enrolment fees.

However, depending on the chosen course students may be required to purchase a uniform, protective equipment, textbooks or trade equipment/tools/licences.

Note: *Some sub-class visa holders will be required to pay full fees.*

Key program details and responsibilities

- ▶ Students may be required to attend their chosen campus 1 or 2 days a week for the allocated length of their course.
- ▶ Some courses the student will be required to attend work placement to put learnings into practice and gain industry experience, enhance knowledge and refine skills.
- ▶ You will experience learning in an adult environment with students of all ages and backgrounds.
- ▶ There is an expectation that when attending classes, you will assume greater responsibility for your own care and safety, as a responsible young adult.
- ▶ All students enrolled at South Regional TAFE are expected to adhere to the student code of conduct. (a copy is located on our website)
- ▶ Whilst attending South Regional TAFE, you are under the supervision of the lecturer taking the class.
- ▶ You will not be supervised during break times.
- ▶ You are expected to remain within the College grounds unless you provide your lecturer with written notification from your parent/guardian or school.
- ▶ You are responsible for your own travel arrangements to your chosen campus and work placement (if applicable).
- ▶ You are required to attend all of your classes including those that may occur on a designated school pupil free day.
- ▶ Attendance is recorded and all absences are reported to your school. You are required to notify your lecturer if you will not be attending.
- ▶ You are expected to dress appropriately whilst on campus. Some courses have uniform requirements which must be adhered to or you may not be able to attend on that day. When special or protective clothing and/or footwear is required, it must be worn without exception.

Important COVID-19 Information

- ▶ To participate in live works training areas and work placements in industries covered by the COVID-19 mandatory vaccination policy, TAFE students are required to be double vaccinated. If eligible, students are also required to have a third dose of the COVID-19 vaccination, within a month of becoming eligible. Students will be required to provide evidence to TAFE of their vaccination status before attending work placement or participating in live works training area. Further details outlining the process to supply your evidence are available on the SR TAFE COVID-19 vaccination evidence page on our website.

Narrogin Campus Offerings Overview

State ID	National ID	Qualification	Duration
Health			
BCY91	52831WA	Certificate IV in Preparation for Health & Nursing	4 Terms
Education and Community Services			
AWJ7	CHC22015	Certificate II in Community Services (Childcare focus)	4 Terms

BGY3	CHC30121	Certificate III in Early Childhood Education & Care	6 Terms

A woman with blonde hair in a bun, wearing a white short-sleeved shirt with colorful polka dots and green pants, sits on a light-colored tiled floor. She is looking towards two children. To her right, a young girl with dark hair, wearing a yellow long-sleeved shirt and dark pants, sits cross-legged holding a pink stuffed animal. Next to her, a young boy with brown hair, wearing a red long-sleeved shirt and dark pants, sits cross-legged with his hands clasped. The background shows a bright, modern classroom with wooden chairs, tables, and colorful decorations. A green banner at the top contains the text 'VET in Schools'.

VET in Schools

Course Offerings

Certificate IV in Preparation for Health & Nursing Studies

National ID: 52831WA State ID: BCY91

Interested in a career of caring and lifesaving opportunities. On successful completion of this course students will have the opportunity to either further their studies in Enrolled or Registered Nursing. This course will give you a sound knowledge about the human body and health, as well as the study skills to support your further learning. You will learn about anatomy, physiology, medical terminology, applied mathematics, physics, chemistry and study skills. Students will also develop an understanding on how microbiology is related to health care and the use of effective academic skills, including word-processed presentation of work.

Certificate III in School Based Education Support

National ID: CHC30221 State ID: BGY5

If you are interested in helping grow the next generation, this qualification will provide you with the practical skills and knowledge to assist the teaching staff in schools and provide care and supervision for children from kindergarten to Year 10. You will learn how to implement planned education programs, assist students in their learning and development, contribute to the safety and health of students and support students with additional needs.

You will also learn how to work with children and young people at risk of harm, work effectively with culturally diverse students, families and co-workers and gain an introductory knowledge into working with children with special needs. As part of this qualification you will undertake a supervised work placement where you will be able to apply the skills and knowledge you have learned.

Recommended background

- ▶ Minimum Year 10 completion with a C grade average across three subjects including Maths and English.

Competitive entry

Interviews will be conducted for students meeting minimum requirements for entry to this course.

Certificate III in Early Childhood Education and Care

National ID: CHC30121 State ID: BGY3

If you have a genuine interest and passion for the care and education of children up to the age of five then this expanding industry is for you. During this course, Students will gain the knowledge and skills to work effectively as an educator, understanding children’s learning, providing learning support and identifying and responding to children at risk. You’ll also learn how to interact and foster the development of children while working within legal requirements and ensuring the children’s health and safety are not at risk. Our qualification will ensure you meet the high standards of education and care of children the industry demands.

As part of this course you’ll undertake a supervised work placement where you get to use the skills and knowledge you’ve learned. You will work closely with children from different backgrounds and cultures and provide care and support for them in various child care situations.

This qualification is designed to provide a range of practical skills, technical training and communication skills for a career in early child education and care, including roles such as:

- ▶ Early Childhood Educator
- ▶ Playgroup Supervisor
- ▶ Nanny
- ▶ Family Day Care Educator

Recommended background

- ▶ Minimum Year 10 completion with a C grade average across three subjects including Maths and English.
