

Student Code of Conduct

The purpose of the Student Code of Conduct is to ensure all students studying at South Regional TAFE enjoy an atmosphere of mutual understanding, respect and professionalism in a supportive adult learning environment which celebrates diversity, embraces equal opportunity and is free from discrimination and harassment.

The Code of Conduct outlines your rights as a student and the expectations the college has of you. As a student of South Regional TAFE you are expected to uphold the college's core values of teamwork, respect, flexibility, integrity and education and training.

COVID-19 Safety

The State Government has introduced a range of measures to limit community transmission of the COVID-19 virus.

To protect the health and wellbeing of our students and staff, all students must adhere to all State Government health advice and follow all COVID-19 safety plans. This may include restrictions and mandates which may change during your enrolment.

Further information on COVID-19 advice is available on the www.wa.gov.au website.

Alcohol and drugs

Students who are under the influence of alcohol and/or drugs put both themselves and others at risk. Alcohol and drugs can affect coordination, response rates and/or judgement. Students must not attend classes or use the facilities while intoxicated by alcohol or other drugs. Inappropriate alcohol or drug use by students attending South Regional TAFE may be the subject of disciplinary action.

If you have a medical condition and need to take prescription drugs that could affect your safety, please notify your lecturer before commencing class. This will enable the college to provide appropriate and timely assistance and enable us to fulfil our duty of care responsibilities. All information provided will be treated confidentially.

This 'duty of care' will also carry through to students' current and future workplaces as a part of everyday work practices.

Minors

For students under the age of 18, South Regional TAFE has an extra duty of care as outlined in the *Policy: Duty of Care for Minors*. This will be discussed with you and your parent or guardian at the time of enrolment. Key points to remember are:

- Your absence will be reported to your parent or guardian

If your parent or guardian cannot be contacted, you will be sent to the first aid room until the normal finish time of the class.

Occupational Health and Safety

South Regional TAFE recognises its obligation under the *Occupational Safety and Health Act (1984)* and is committed to promoting a safe and healthy work and training environment. Under the act, the college, staff and individuals have a duty of care to take responsibility for contributing to their own safety and the safety of others at all times.

All accidents, incidents and hazards must be reported using the college accident hazard report form, which is available from your lecturer or any staff member.

Personal Protective Clothing (PPE)

Students must wear personal protective equipment and clothing, when required to do so in designated work areas such as laboratories, studios or workshops. These areas have mandatory safety policies and dress standards. *Any student failing to comply will be refused entry to the laboratory, studio or workshop.*
